"The Training Program is being offered by SME Business Facilitation Center, Multan in collaboration with "The Faculty Development Committee, Department of Management Sciences, COMSATS University Islamabad, Vehari Campus"

Training Content

- Learn the purpose of accounts and working with ledgers of firms.
- Learn about debits and credits and the categories they fall into along with how they make up transactions.
- Practice manual accounting and develop the P&L and balance sheet reports of services-based firms.
- Set up fictitious services-based firms in the software and apply what has been learned by completing activities.
- Construct a Trial Balance, P&L, Balance sheet reports, and Statement of Cash Flow and analyze them.

Who Should Attend

- Potential entrepreneurs
- Students of graduate and undergraduate degree programs
- Faculty members of the Department of Management Sciences
- All those who wish to improve their knowledge of the subject

Consultant : Dr. Muhammad Irfan Javaid

"Dr. Muhammad Irfan Javaid, holds M.Sc., M.S., and Ph.D. degrees in Accounting & Finance. He is working as an educationist with more than 11 years of experience. He has vast expertise in teaching accounting and finance subjects at the university level. He is a conscientious researcher with 12 national and international publications. He is a well-qualified Trainer/Consultant with 10 years of experience. He has conducted 62 training sessions, including 21 international training sessions in Dubai, Bangkok, Dushanbe, and Kabul. He is a self-motivated entrepreneur, running a research and training consultancy firm that conducted 122 training sessions in seven different countries. In short, he is a "teacher, researcher, trainer, and entrepreneur."
