About us

COMSATS University Islamabad Vehari Campus, situated at 5km from Vehari City, was formally inaugurated in 2008. CUI Vehari is a purpose-built Campus that is committed to provide better access to further and higher education for the inhabitants of south Punjab and prepare them to pursuit of successful career in their respective fields.

Located in the culturally alive city of Vehari, CUI Vehari Campus has played a leading role in higher education in the area. We strive to provide a promising environment to the students for the expedition of their academic activities. Due to the pleasant academic environment and low tuition with valued degree the University remains the institution of first choice for admission seeking students in South Punjab. CUI Vehari is with a mission to promote learning and research activities and to fulfill the purpose; we facilitate our students by cultivating creative pedagogy and innovative research we are offering a wide-ranging program, especially in the areas of Management Sciences, Computer Science, Mathematics, Environmental Science and Humanities. The programs are designed and planned to focus on building skills for inclusive development.

CUI Vehari endeavors to provide excellent standards of knowledge so that the passing out students be prepared to become useful citizen of country and contribute positively to the society. For this purpose, the university is equipped with up-to-date technology, and labs paraphernalia. Our highly qualified faculty plays the role mentors for our students and nurtures their individual talents. We give emphasis to individual as well as group projects to strengthen our student's talent as innovative productive individual, and a cooperative team our students learn to be co-operative and productive as team members.

Greetings from the Director, CUI Vehari

It is an honor to lead positive change and to contribute to the sacred cause of education. COMSATS University Islamabad, Vehari has been dedicated to its mission to nurture scholars who will contribute to society by advancing knowledge and imparting it to the new generations. This vision can be materialized through commitment, hard work and respect. The students must learn to labor and to wait. The responsibility of the university administration is to facilitate the learning process by maximizing the utilization of the available resources. Our CUI Vehari campus has taken long strides in promoting teaching and research since its establishment in 2008. With more than 15 degree programs including BS, MS and PhD programs, we believe that we can offer many other market-based courses that would significantly contribute to the knowledge economy.

My goal is to develop adaptations of the latest knowledge to local environment in technology, economy, culture, religion, languages and conduct indigenous research to address the educational needs, practices and issues. I encourage my faculty members to participate in and contribute to curriculum designing & development, strengthen academics, eradicate academic corruption, promote research culture and educational attainment standards. I have always believed that every change must be led by a team. As you join the University, you will find that the entire CUI Vehari community will help you to achieve your academic pursuits, personal growth and development goals.

Our purpose is to transform lives and enhance communities. A qualification from CUI Vehari does just that. We support our students to succeed and prepare them for the future. We are rated the number one university in Pakistan and our graduates have the competitive starting salaries. We are rated the number one university in Pakistan for the way we support our students, develop their skills and for the exceptional quality of our teachers.

I cordially welcome you to the COMSATS University Islamabad, Vehari campus.

With best wishes,
 Professor Dr. Saleem Farooq Shaukat,
 Director,
 COMSATS University Islamabad, Vehari Campus

- iii. Fee for each repeated/improved course during regular semester will be charged per credit hour, in addition to regular semester fee.

HEC Grading Criteria Adopted by CUI System

* Percentage Obtained in a Semester System	Grade	Grade Points
85 and above	A	4
80 — 84	A-	3.66
75 - 79	B+	3.33
71 — 74	B	3
68 — 70	B-	2.66
64 — 67	C+	2.33
61 — 63	C	2
58 — 60	C-	1.66
54 — 57	D+	1.3
50 - 53	D	1
Below 50	F	0

*Note. • *When rounding of a decimal number to the nearest whole number, the tenths digit is checked whether it is above or below 5. If the tenth digit is equal to or above 5, the number is rounded up and if the tenths digit is below 5, the number is rounded down. For example, 70.5 or 70.6 shall be rounded off to 71 and 70.4 shall be rounded off to 70.*

For purely theoretical and purely practical courses, the grading scheme is evident in the suggested format. However, for subjects which have the two categories (theory and practical) combined, the final grade is computed by multiplying the number of credit assigned to each category with the percentage marks obtained in that category and dividing the sum of the two by the total credits in that subject.

For example;

Example

Subject	Theory Credit	Practical Credit	%Marks Earned	
			Theory	Practical
Electronics	3	1	70	90
Overall grade = $\{(70 \times 3) + (90 \times 1)\} / (3+1) = 75\%$				

Make-up Examinations

At the discretion of Head of the Concerned Departments, the make-up of midterm exam may be permissible under special circumstances. However, make-up of terminal examination shall only be allowed in extraordinary cases.

Rechecking of Answer Books

A student may, on payment of the prescribed fee, get the answer book rechecked in the presence of the concerned teacher and an officer of the examination section, in its secrecy room, for totaling and for verification that all questions or parts thereof have been fully marked. Reevaluation of the paper, however, shall not be allowed, except for the evaluation of the unmarked answer or a part thereof. Rechecking shall only be allowed within 10 days of the notification of the result.
